The racing yacht – Figaro Beneteau 3

The Figaro Beneteau 3 is the first production foiling one-design monohull ever to be designed. A distillation of technology and innovation, it results from a collaboration between group Beneteau's best experts and the Van Peteghem Lauriot-Prévost (VPLP) office, the architects of the two last boats to win the Vendée Globe.

LENGTH OVER ALL : 10.85 m
HULL LENGTH : 9.75 m
HULL BEAM : 3.40 m
LIGHT DISPLACEMENT:2900kg
CE CERTIFICATION : A
INNOVATION : Foils

- 3 year program (FFORC Cup 2020,21,22) £215,000 +VAT

The FFORC will be headline sponsored. Individual teams if commercially sponsored will have access to the FFORC marketing and communications team. Each team will be tracked and have onboard media systems embedded. TV and media rights will be assigned. Races will be followed and filmed by high speed ribs with onboard camera and drones.

Why?

1. Turn up and race no maintenance or management
2. Level rating in identical yachts
3. Highest technology foiling boats
4. Substantial prize winnings
5. Open to all professionals and amateurs
6. Race training weekends from best in world
7. Focus on extreme offshore racing
8. Beneteau quality and experience
9. Races run by a world leading race organisation
10. Highly experienced media team package for sponsors to maximise ROI
