

RACE PLAN

The purpose of this document is to present the sporting context and the projected regulatory context of the GLOBE40 – The 'Grande Route' 2021/ 2022 event.

Solely the Notice of Race published at a later date can be considered to be an official race document.

1. Organising Authority: the company SIRIUS EVENEMENTS, an FFV affiliated company.

2. Race Rules:

- RRS: Racing Rules of Sailing
- The Regulations of the French Sailing Federation (Fédération Française de Voile) or the National Federation if the start does not take place in France
- World Sailing's Offshore Special Regulations (OSR), category 0 monohulls
- Class40 Class Rules

3. Advertising:

To enforce Regulation 20 of World Sailing (Advertising Code) the boats will be required to display advertising chosen and supplied by the Organising Authority.

4. Eligibility and registration:

The event is open to monohulls in order with the Class40 measurement and rules.

The race is to be sailed double-handed.

Qualification: Upon examination by Race Management, a qualifying passage may be requested.

Change of crew: a change of skipper is permitted at each stopover.

5. Fees to be paid:

The standard amount for registration fees is set at €15,000 ex.VAT.
The following registration process will be implemented:

GLOBE 40

LA GRANDE ROUTE

- Upon publication of the Notice of Race on 1 July 2020: **pre-registration:** €2,000 ex.VAT (reimbursed if competitor withdraws before 1 July 2020).
- From 1 July 2020:
 - o For projects already pre-registered:
 - 30% (€4,500 ex.VAT) payable on 1 July 2020
 - 70% (€7,500 ex.VAT) payable on 31 December 2020
 - o Registered after 1 July 2020: 20% surcharge
 - o Registered after 31 December 2020: 30% surcharge

In the event that the race does not start (number of entries less than 15 on 31 December 2020) 90% of the entry fees received will be reimbursed.

6. PROGRAMME AND COURSE: Projected programme and course duration (Climatological study and routing carried out by Great Circle)

GLOBE 40

LA GRANDE ROUTE

Leg	Direct distance over the ground (Miles)	Distance covered over the surface (Miles)	Average speed over the surface of 1st boat (Knots)	Average duration of 1st boat (Days)	Duration of stopover for 1 st boat (Days)	Dates
