7	13	27-June-06 (Tue)	Jersey	Liverpool (UK)	01-July-06		

*ETA – Please note that the estimated arrival date is exactly that, an estimate and that although it is our best estimate on when the bulk of the fleet are likely to arrive there are no guarantees; sailing boats have destinations not arrival times! For planning purposes a window of one or two days either side of the dates shown should be allowed. We will do everything in our power to ensure that departures dates are as planned.
