A Captain, a sailor, a Friend

Jeff Simon was co-captain of the UCSD sailing team from 2006-2007 and passed away from cancer in July of 2007 at the age of 22. Most of you probably were never fortunate enough to meet Jeff, but you probably know someone like him. That person who comes up with all the great quotes on your team? The person who wakes up way too cheerfully after a long night, gets all the freshman up and is yelling "get in the van!"--all the while making you laugh and like him even more. The guy who teaches you everything you know about sailing and makes you want to be just like him. Jeff had two favorite quotes-- "a flat boat is a fast boat" and "make it fun". He lived by the second quote. Jeff was

everything that a college sailor should be--a leader, a mentor and a teacher. He was taken from us much too soon, but as a team we have made an effort to remember him. The Jeff Simon Memorial Regatta has not only served to make sure Jeff is not forgotten, but also is an effort to bring together the collegiate sailing community.

This year, we are taking it one step further! The proceeds from the raffle, described earlier in this NOR, will be donated to John Wayne Cancer Foundation whose mission is to bring courage, strength and grit to the fight against cancer. The raffle is not required--sometimes you just need that breakfast burrito instead. But, if you can spare a few dollars--come buy a few tickets. You might win some pretty sweet prizes!
