FOR IMMEDIATE RELEASE

Youth Powerboat Summer Camp for Summer 2014 Offered by Local Trusted Marine Experts, Confident Captain/ Ocean Pros and Safe/Sea.

NEWPORT, RI Narragansett Bay is the perfect playground for those of us who love boating and thanks to two popular Rhode Island boating businesses, kids can now get out on the water in their own summer camp. Captain Kent Dresser, President/Founder of Confident Captain/ Ocean Pros has teamed up with Safe/Sea to offer power boat instruction to youth in a fun summer camp format.

Dresser, who founded the premier Rhode Island maritime training facility, says of this exciting new camp, "This is a great opportunity to provide a venue for our local youth that has never before been offered. Our powerboat instruction will be on par with the finest sailing schools in the state and will leave the kids with seamanship skills that will last a lifetime. Our goal is to get kids out on the Bay enjoying powerboats safely while learning new skills. We are fortunate to be offering the robust US Powerboating curriculum to support this great program and help provide kids with their state boating certification."
