The West Coast's largest keelboat regatta

June 23, 2014

'Race With the Champions' for real at Ullman Sails LBRW

LONG BEACH, Calif.

In its 35th year Ullman Sails Long Beach Race Week coming up Friday through Sunday is living up to its slogan, "Race With the Champions."

Ten of last year's class winners are among the 144 current entries, in addition to several champions of previous years and a flock of sailing celebrities. The latter include regatta namesake Dave Ullman in J/70s and former A-Cat world champion Pete Melvin, who led the Emirates Team New Zealand design team in last year's America's Cup and will be sailing his trimaran Mama Tried in the Random Leg competition.

And all 11 boats in the Catalina 37 class are chartered from the Long Beach Sailing Foundation, which had a dropout earlier but picked up a replacement entry.

Anyone interested in joining any other class may [enter online](#).

Racing in the West Coast's largest keelboat regatta is scheduled for as many as seven races over three days. First starts will be Friday at 1 p.m. and Saturday and Sunday at noon, conditions permitting.

The regatta is open to one-design classes and PHRF boats with handicaps of 222 or less. Racing will be on three closed courses plus a Random Leg course for ocean racers sailing one race daily.

The Catalina 37 teams include Chuck Clay's four-time winning Alamitos Bay YC crew (2008, 2009, 2011, 2012)

and David Hood's Long Beach YC crew that won in 2010 and 2013. That pair could enjoy their own match race, like the C/37s see in the Congressional Cup, but all will be part of a three-boat variety of classes competing for the Yacht Club Challenge Trophy.

For individual boats, the Golison Kent Family Trophy will be awarded to the crew with the most family members on board.

Also at stake:

---J/70, J/80, J/105, J/109 and J/120 Southern California High Point Series;
---Viper 640 Pacific Coast Championship.

Out-of-town entries may contact LBYC waterfront director Rick Roberts at 562.493.5173 to arrange for moorings.

Meanwhile, the regatta has always featured shoreside festivities after each day's racing, and this year there also will be a Pre-Regatta Cocktail Party hosted by a new sponsor, [The Boathouse On the Bay](#), Thursday, June 26, from 5 to 7 p.m. The Boathouse is located on the east side of Alamitos Bay at 190 N. Marina Drive, opposite ABYC. Hors d'oeuvres will be free.

The post-race parties will be Friday night at ABYC and Saturday night at LBYC. The Sunday trophy presentation and party will be at LBYC. A water taxi will offer transportation between the clubs across the bay each evening but not on Friday morning.

Ullman Sails LBRW is again associated with the [Sailors for the Sea](#) program for Clean Regattas. Sailors for the Sea, based in Newport, R.I., is the only ocean conservation nonprofit focused on the sailing and boating community. Its program assists and certifies yacht clubs and regatta organizers as providing clean events that minimize impacts upon our oceans.

Ullman Sails mission statement: Ullman Sails has been dedicated to the performance of its customers from Olympic one design racing to large racing and cruising yachts for over 45 years. With over 80 locations in 31 countries worldwide, the brand is recognized for its high quality sails, excellent customer service and longstanding investment in local sailing communities.

The Ullman Sails group is made up of independently owned lofts that benefit from international collaboration of a network of experienced sailmakers, top designers and elite sailors.

Now even stronger, Ullman Sails recently joined forces with Jannie Reuvers Sails, one of the largest and most technologically advanced sail production facilities in

the industry. This move means a bigger and more dynamic Ullman Sails group, adding three lofts in South Africa including a major manufacturing facility and state-of-the-art membrane plant in Cape Town. Jan Reuvers, owner of Jannie Reuvers Sails, also brings a talented team with extensive experience in super yacht and OEM markets. This exciting match means Ullman Sails can provide the same high quality sails and service now backed by more specialized expertise and leading production capabilities.
