## **COVID-19 TESTS**

Anyone attending the event is requested to show the negative result of a Covid 19 Test done starting from October 1st.

You can also provide a FAST covid 19 test, but given the lower reliability compared to laboratory tests and the fact that it is missing the direct control of a sanitary representative, you are requested to take this FAST test at least twice, of which one prior entering the Marina (result to be shared via email/WA) and the latest to be taken at the registration office.
