

RRS 69 hearing regarding Timothy Russell and Arne Vandenbroucker

Mr Grant Baldwin

I, along with Review Board members Carol Barrow and Peter Gerard, Pursuant to US Sailing Regulation 15, have completed our review of the RRS 69 hearing decision, regarding Timothy Russell and Arne Vandenbroucker. At this time the Review Board has no further action regarding this matter and considers our review closed. We would however suggest that if the J105 class feels further action is warranted they should pursue action according to the J105 class membership documents
